NEW this YEAR for the Boys Program U13 – U19

We are excited to announce that the Boys ECNL has accepted our application to begin creating an ECNL pathway in the Oregon/Idaho market for the 2023/2024 Season. The ECNL is one of the most prestigious soccer leagues in the country.

The ECNL's first step, when creating a new Conference, is the formation of an ECNL Regional League for the first year, with the goal of full acceptance into the ECNL for the following season. The ECNL RL is a stepping stone between State League and the ECNL. This gives the accepted clubs the opportunity to transition and the ECNL to confirm the new conference is ready to compete at a national level in the full ECNL.

The top team at the U13, U14, U15, U16, U17, and U18/U19 age groups will be designated ECNL RL teams*. These teams will be allowed to also compete in the OYSA League and State Cup for this upcoming season. This will enhance our ability to compete and succeed in those competitions in preparation of transition and acceptance to the full ECNL.
