Tournament Scoring System

For standings in pool play, points will be awarded as follows:

- 6 points for a win
- 3 points for a draw
- 0 points for a loss
- 1 point for a shutout
- 1 point for each goal scored (maximum of 3 points)

There is a maximum of 10 points possible for each game. A 0-0 draw will be scored as 4 points.

If two or more teams are tied on points after round robin play, the following tie-breakers will be used to determine who advances to championship games:

1. Head to head play (only if two teams are tied)
2. Best total goal differential (up to + or – 4 goals per game)
3. Fewest goals allowed
4. Fewest yellow and red card points received. A yellow card is one point and a red card is two points. If a player receives a red card for having received a second yellow card, the team receives two points.
5. Coin toss conducted by tournament director(s). Team representatives may or may not be present at option of the tournament director(s).

If multiple teams are tied, these tiebreakers will be used to eliminate teams at each step, if possible.

- If more than one team remains tied, the tiebreakers will then be reapplied, starting with #1. (For example, if teams A, B and C are tied on points, tie-breaker #1 does not apply.
- If tie-breaker #2 sees teams A and B tied on goal differential, with a better goal differential than team C, team C is eliminated.
- The next tiebreaker to be applied is head to head play between teams A and B.)

A team shall be awarded a forfeit win when opponent does not play or is declared ineligible. The game will be recorded as a 1-0 score. However, for tie-breaking consideration, the goals scored, and goals allowed for the forfeit game will be the average of the goals scored and goals allowed by the team in its other tournament games.

In tied games designated by the tournament as requiring a winner, kicks from the penalty mark, as provided in the Laws of the Game, will be taken at the end of regular time.
